

**Travis Creek Wood Products
25 Year Limited Warranty
For Exterior Decking**

“Travis Creek Wood Products, warrantor” warrants that our highly durable exterior hardwood decking products, limited to Ipe (Tabebuia spp.), Cumara, Brazilian Teak, O (Dipterix-spp.), Garapa and Siberian Birch, when graded as First-Class or Select & Better Sap-Free, are naturally durable woods which will not suffer structural damage due to rot, decay or termites for a period of at least 25 years from the date of consumer purchase from an authorized Travis Creek Wood Products agent.

These products may show significant amounts of checking and should be treated to inhibit checking. Decking must be installed in a residential structure that meets all applicable construction and safety codes. Bleeding pigment from some hardwood decking is a natural characteristic and is not covered under warranty.

This warranty is limited to the delivery to purchaser’s residence of sufficient quantity of replacement decking and does not include installation, reinstallation, nor any costs related to lack of use. Nor will it pay the cost of fasteners and finishes of substructure in case of replacement.

The above remedy is exclusive and is in lieu of all other remedies expressed, implied or statutory, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, and any and all other obligations and liabilities, whether in contract or in tort, all of which are expressly disclaimed. In no event shall warrantor be liable for incidental, consequential, indirect or punitive damages of any kind.

In order to validate your warranty, you must complete and mail the following registration card within 90 days after installation. A copy of the receipt from an authorized Travis Creek Wood Products decking retailer or decking contractor, and a photo of the project are required. Mail to: Travis Creek Wood Products, 1920 Old Columbia Road, Columbia, NC 27925
